

Project Zamedaar

Hack 36 Team ID: HKTM1612

Team Members:

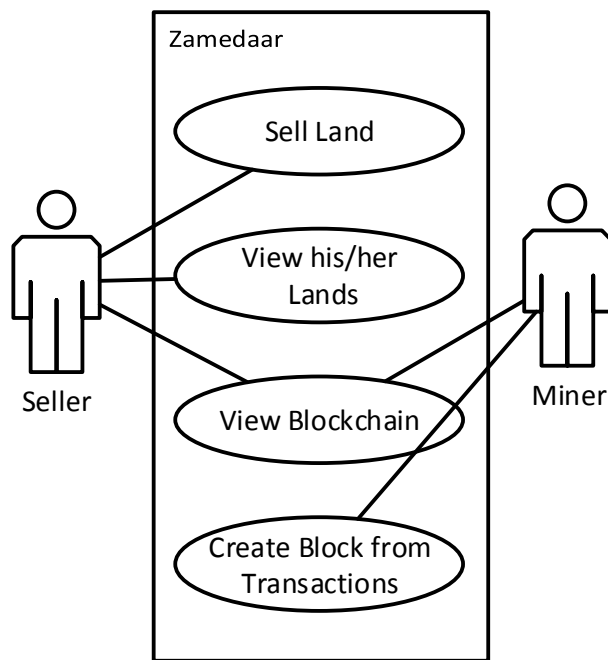

Shubham Kumar (HKSH18598)

Aakash Chandhoke (HKAA18599)

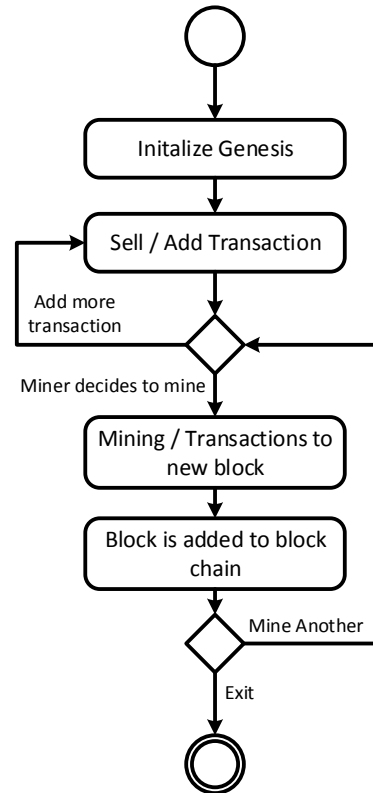

Sanket Kumar Mali (HKSA1828514)

Angshuman Ghosh (HKAN1828579)

Project **Zamedaar** is a **block chain** based application to keep records of the owner and transaction of the lands. The project keeps track of the transactions made in terms of lands in block chain which ensures that the seller can only sell a land only if he/she is the owner of the land.
